

Pennies for Peace Campaign

A project of
Mosaic Communities – MultiNational Housing Cooperatives in Israel

Building Open Communities for Arabs and Jews in Israel

Pennies for Peace is all about bringing people together, in residential communities, in kindergartens and schools, in after school programs, and adult activities. Today in Israel almost all communities and schools are segregated, keeping Arab and Jewish citizens and residents from developing a common civic society. The experience of other developed countries is that this kind of framework just doesn't work, that segregation only breeds discrimination, fear and suspicion of 'the other'.

MOSAIC COMMUNITIES is a cooperative organization in Israel dedicated to establishing integrated Arab/Jewish communities 'on the ground' through a grass roots effort. This is where you come in. Here's how you can help.

Order Pennies for Peace collection boxes and literature

The colorful collection boxes can be ordered from our office in Minnesota and placed on a counter or desk in your home, place of worship, office, food coop etc. You can order as many as you feel able to distribute. Then once a month you can visit your boxes, collect the money, count it, and send a check to our office. It's as simple as that. In addition we'll provide you with literature and information that can be distributed to friends, family and colleagues.

The funds you collect will support Mosaic Communities in Israel to develop Arab/Jewish programs and new communities. Friends of Mosaic Communities-USA is a non-profit organization registered in Minnesota with tax exempt 501c3 status pending with the Internal Revenue Service.
